Recommendation of the Group Officers' committee regarding tender for Change Management work of PSAI software

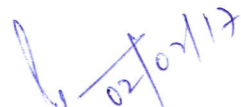

As per kind orders of the Accountant General dt. 31.01.2017 and 24.01.2017 a committee consisting of Sr. DAG (Admn) & ITSM, Sr. DAG(Fund) and DAG(Pension) was constituted to open the technical bids on 02.02.2017 received against this office tender No. Pen EDP/01/Vol.III/2016-17/123 dt. 04.01.2017, in connection with Change Management work of PSAI Application software.

The tender was given wide publicity through newspaper advertisement in English, Hindi and Bengali newspapers, display in notice board of this office as well as all sister offices and also uploaded in AG website.

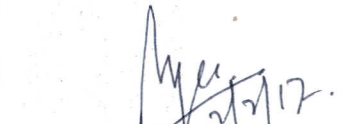

However, it was seen that only one bid was received in closed cover from M/s. Access Infotech (P) Ltd., within the due date of submission. The said bid was not opened by the committee.

In view of the limited response to the tender as above it is recommended that:

1. The item may be put to re-tender through advertised tender enquiry.
2. The tender may be given wide publicity by way of insertion of small display advertisement in (a) Times of India; (b) Ananda Bazar Patrika & (c) Sanmarg.
3. Further, the NIQ may also be displayed in the Notice Board of all sister offices as well as uploaded in the AG website.
