Subject: Integration of URL to the Website of the Principal Accountant General, West Bengal and making it live– Content Updation reg.

Upon receipt of security audit certificate issued by NIC, the composite and revamped website of AG Bengal went live on 17.05.2019 under the I.P. address 164.100.229.182. As a result, NIC closed the existing website of this office running under domain (www.agwb.cag.gov.in) and integrated the same URL to the newly refurbished website.

In order to keep the contents of the website up-to-date, continuous updates are necessary. So it is brought to the knowledge of all Branch Officers of this office that all Office orders/Circulars/ (other than those of confidential nature) including various committees constituted time to time may be sent to EDP Section regularly so that the same may be updated in the official website.

This issues with the approval of Principal Accountant General.
